Halogen MR-16 Power Series

MR-16 Low Voltage Halogen Lamp Features:

- Retains 100% of lumen output through its 4000 hour life
- Dichronic reflector provides intensified crisp bright white light of 700 footcandles - the equivalent of 150 watt while consuming only 20 watt of energy
- Annual energy cost is just \$4.80 for 20 watt compared to \$24.00 for standard 100 watt lamp.
(Based on 12¢/KWH - 8 hrs daily - 2000 hrs annually)
- Ruggedly built
- Epoxy coated durable all metal construction
- Brilliant white light delivered exactly where needed
- Safe 12V transformer integrated in base

This personal, portable and yet powerful desk lamp features a 25 inch flexible gooseneck arm constructed of tough and durable, heavy-duty steel sheathed inside an elegant poly-vinyl coating. Excellent as a computer workstation light, it flexes to concentrate a crisp, bright white light onto paperwork without glare on the computer screen while the sturdy arm resists drooping and sagging. The 12 volt transformer is safely housed in the tip resistant lamp base and the 20 watt Halogen bulb, included, is enclosed inside a glass UVB filter surrounded by a compact 3" x 3" metal shade. 3 year warranty. Made in USA. UL & CSA Listed. Available Colors: Black
